

WeCare® Hand Disinfection Gel 80%, no perfume, 150 ml

SKU: 2225

An effective gel which is used for disinfecting the hands. The gel contains 80% vol ethanol which kills and prevents bacteria from spreading. It also contains glycerine which prevents the hands from becoming dry. Remember to apply the hand disinfection on visibly clean and dry skin. Apply 3 ml of the product so that the skin can be kept moist for 30 sec. Rub until dry.

- Approved hand disinfection EN1500, EN1276, EN14476
- Proven effect against COVID-19 and influenza viruses
- Contains no perfume or dyes
- Contains hand care product and 80% alcohol
